Most Vacant Properties will have a Video/Virtual Tour available to view on each individual lot page. We recommend that you watch these on any property that you are interested in. People should use virtual viewings before visiting the properties in person where possible, in order to minimise public health risks. Government guidelines now permit us to carry out viewings subject to strict rules. We will not permit more than two adults to enter a property at any one time (excluding themselves and the property occupiers). If there are more than two adults in attendance, they will need to wait outside, 2 metres apart, regardless as to whether they form part of the same household. If those in attendance do not keep to social distancing, then the appointment will be aborted. Please bring your own PPE and in particular, we would ask you to wear a suitable face covering and gloves for the protection of yourself and others.

Whilst McHugh & Co make every effort to ensure the safety and security of viewers at properties, we have not carried out a detailed Health & Safety inspection of Properties and cannot therefore guarantee the safety & security of viewers. Prospective Purchasers and Bidders attend viewings entirely at their own risk.

PLEASE NOTE VIEWINGS WILL COMMENCE ON FRIDAY 13TH NOVEMBER 2020
